Digital Podium

Impact Series DP-202

A modern and well organised presenta on & lecture device for seamless presenta ons that make two-way interac on between the presenter and audience even more efficacious.

Nationwide Sales & Service Presence

Corporate Office: A-66, Sector-4, Noida, District Gautam Budh Nagar, Uttar Pradesh - 201301, India | **Phone:** +91-120-4051700, 4051800
Email: info@globusinfocom.com | **www.globusinfocom.com**

Interactive Touch Monitor

Comes with annotation software to make your session even more facile, interesting & enthralling as it allows to annotate on live screen. It performs functions like highlighting, saving, editing, mailing, printing and many more.

RFID/Passwords/ Keys Security

To keep your podium safe and secure, we provide three different types of unlocking & accessing options - RFID (i.e. Radio Frequency Identification), Numeric Password or with Keys.

Handheld/Collar/ Gooseneck Mic

We offer 3 types of Mic - Handheld, Collar & Gooseneck. Handheld mic to hold in the hand, Collar Mic for handsfree operation and Gooseneck Mic that can be adjusted or tilted accordingly.

Multimedia Controller

A central multimedia controller that handles all the switching and controlling functions of the device. It saves the time of a presenter as he / she does not have to toggle between switches to control different functions.

Inbuilt Ports & Cooling Fan

USB, VGA/DVI/HDMI ports are inbuilt in all our podiums to help you delivering a tussle free lecture. Digital Podium is also equipped with cooling fans that help to provide longer operation hours.

Sliding Shutter

Interactive Touch Monitor in podium comes with a sliding shutter on top of it which is lockable. The purpose of providing lockable sliding shutter with panel is to keep it safe from unwanted breakage when not in use.

Combination of Excellence & Quality

A compact design that passes through multiple level of testing to provide you the tsenfipiece which is an exemplary combination of Intelligence, Innovation & Interactivity. Our podium is equipped with all class apart features which makes it a complete presentation tool. It comes with features like caster wheels that help to make the podium shift from one place to another easily & with motorised screen tilt which can be adjusted according to the presenter’s comfort.

Connect more with your audience

This device helps to uplift the complete learning and teaching experience. It is a perfect amalgamation of interactivity, audio-video, computing, switching & controlling and a flawless device to deliver a impressive lecture or presentation. It allows the presenter to face and have a deeper connect with the audience. Comes with a flexibility of putting the customer organisation’s logo and information on the front side acrylic sheet.

A Proficient, Powerful and All-In-One Digital Podium to ace your presentations
