## Digital Podium

Impact Series - Gel 22N

A modern and well organised presentation & lecture device for seamless presentations that make two-way interaction between the presenter and audience even more efficacious.

## Interactive Panel

Comes with annotation software to make your session even more facile, interesting & enthralling as it allows to annotate on live screen. It performs functions like highlighting, saving, editing, mailing, printing and many more.

## RFID/Passwords/ Keys Security

To keep your podium safe and secure, we provide three different types of locking & accessing options - RFID (i.e. Radio Frequency Identification), Numeric Password or with Keys.

## Keyboard & Mouse

We provide keyboard & mouse also for an organised experience at the time of presentation or any session. It can be conveniently placed in one of the cabinets provided in the podium.

## Multimedia Controller

A central multimedia controller that handles all the switching and controlling functions of the device. It saves the time of a presenter as he / she does not have to toggle between switches to control different functions.

## Combination of Excellence & Quality

A compact & robust design that passes through multiple level of testing to provide you the finest piece which is an exemplary combination of Intelligence, Innovation & Interactivity. Our podium is equipped with all class apart features which makes it a complete presentation tool. It comes with features like caster wheels that help to make the podium shift from one place to another easily & with motorised screen tilt which can be adjusted according to the presenter's comfort.

## Connect more with your audience

This device helps to uplift the complete learning and teaching experience. It is a perfect amalgamation of interactivity, audio-video, computing, switching & controlling and a flawless device to deliver a impressive lecture or presentation. It allows the presenter to face and have a deeper connect with the audience. Comes with a flexibility of putting the customer organisation's logo and information on the front side acrylic sheet.
