

Nationwide Sales & Service Presence

Professional Display

Model: IDIC7A-2

Globus Professional Display is an advanced display. Our professional-grade displays deliver life-like picture quality and an immersive experience aided by its high brightness and in-built sound system.

Brightness for Life-Like Images

Our Professional Displays are manufactured specifically to perform even in brightly lit environment with a brightness of 600cd/m2. It delivers breath-taking viewing experience with vibrant and clear images with uniformly-bright images.

Bring Pictures to Life with 5000:1 Contrast Ratio

Billions of colours bring the pictures to life while the vibrancy and vividness highlight even the finest detail of your content. High Contrast Ratio of 5000:1 elevates your learning experience to next level.

Powerful In-Built Sound System

Globus Professional Display has powerful audio experience to provide a holistic classroom/meeting room environment. Make an impact with its 2.1 stereo sound with two In-built speakers of 20 Watt along with one Sub-Woofer of 15 Watt for better audio reach.

Wireless Screen Mirroring

Share display from mini PC wirelessly on any laptop, computer, smart phone or tablet with wireless content sharing feature. This feature enhances connectivity of our Professional Displays and eliminates the requirement of multiple cables.
