Nationwide Sales & Service Presence

Smart Podium

Model: IMPACT SP-300

A modern and well organised presentation & lecture device for seamless presentations that make two-way interaction between the presenter and audience even more efficacious.

Possibilities **Unlimited**

Learning made simple
GLOBUS INFOCOM LIMITED

Aesthetically-pleasing, premium design

Globus Interactive Podium is sleek, compact in form factor and premium in design, adding aesthetic value to the place it is installed. It is made up of ABS polycarbonate for a premium finish and robust design.

PCAP and Electromagnetic Touch Technology

Projected Capacitive (also PCAP) and Electromagnetic Touch Technology provide accurate and highly sensitive touch. It supports both pen as well as finger touch.

Microphones

The Gooseneck microphone comes with a dedicated On/Off button along with an LED indicator. It is powered by a Phantom Power Supply . This podium also comes with wireless microphones apart from gooseneck microphone, to make two way communication more impactful and convenient.

Single Lock for Both Slider and Cabinet

Our Smart Podium can be locked when not in use, using a single locking mechanism for both Slider and Cabinet.
